Groups Secretary's Report 2026

A very big thank you to all of our Group Leaders who have done such a great job in keeping all of our groups running so well this year. Also, your help and support in making our Open day in July such a success.

We thank our retiring coordinators for all their hard work. Namely Bridget Macey, who has been leading one of our Literary Groups, (Friday am) Steven Gregory who had been leading our Egyptology. These two groups are no longer available.

Some groups have had a change in leadership.

Our thanks to Ann Mason who has been leading Art Appreciation for many years and Steve Lawrence who was leading the Science Group. We welcome those group members who have nobly taken their places to keep these groups running.

We have three new groups this year with the possibility of another before long.

Visiting the Arts, Chance to Dance and I T Support. Twenty-two groups to date.

Possible new groups being discussed at this time are with a view to Making in Art Materials and/or Textiles.

Please see our file of Group Reports from our Group Coordinators or read them on our website.
