(Registered Charity No: 1101356)

Fire Procedure:
General Meetings at Harborne Baptist Church (HBC)

1. The alarm is a warbling siren.
2. No test is scheduled during the General Meeting.
3. On hearing the alarm, leave by the marked fire exits – Green signed with white running person.
4. Members with mobility difficulties must make themselves known (see below).
5. Assemble in the area between the left-hand side of HBC and an older brick building, which is immediately next to one of the fire exits. If using the fire exit facing Harborne Park Road, turn right along the road and at the corner of the building turn right again, which will take you to the assembly point.
6. Members with Mobility Problems
 - a. Make yourself known to a member of the committee/two volunteers nominated at the start of the meeting.
 - b. Move to a place of relative safety with the assistance and knowledge of member of the committee/two volunteers nominated at the start of the meeting.
