

u3a Harborne & Edgbaston
(Registered Charity No: 1101356)

HEALTH AND SAFETY POLICY

1. Purpose

- 1.1 This health and safety policy should not be confused with safeguarding. Where safeguarding is about protecting an adult's right to live in safety, free from abuse and neglect, health and safety is about minimizing or removing the risk of accidents and injuries.

2. Scope

- 2.1 The [Health and Safety at Work Act 1974](#) only applies to paid workers, although volunteers must still be protected from risks. The u3a should ensure that reasonable care has been taken to avoid harming others and that participants are aware of the risks.
- 2.2 u3a Harborne & Edgbaston (u3a H&E) aims to provide and maintain safe and healthy conditions and environments for all members including during the meeting of its groups, monthly meetings and at events

3. Insurance

- 3.1 u3a H&E is covered by the insurance provided by The Third Age Trust. Further details about the insurance cover can be accessed on the u3a website www.u3a.org.uk/advice.
- 3.2 If any activities are being considered that u3a H&E is unsure if they are covered, they will contact the u3a Office for further advice.
- 3.3 The Third Age Trust provides third party liability insurance however extreme sports and high hazard activities may not covered. Please check before running an activity.

4. Risk Assessments

- 4.1 u3a H&E will ensure the Committee, Group Co-Ordinator's or those responsible for a meeting or event complete a risk assessment(s). These will be used to identify any risks and explore how they could be mitigated.

4.2 u3a H&E is aware that some venues used for meetings/events may already have their own risk assessment, these should be reviewed and where mitigations identified, ensure they are actioned. E.g. a venue may state that no more than 5 chairs should be stacked together and or nothing placed in the way of fire escapes. Where relevant, clear instructions and guidance should be provided to anyone who requires it.

4.3 Further information, guidance Further information, guidance and templates about risk assessments can be downloaded from the u3a website: www.u3a.org.uk/advice

5. Responding to accidents/incidents and dealing with emergencies

5.1 In the event of an incident/accident the Chair of u3a H&E should be informed as soon as appropriate.

5.2 Where a u3a member is involved in an accident or incident whilst taking part in a u3a event u3a H&E will ensure those who witnessed the event and were involved complete the [Incident Report Form](#)

5.3 This must be completed and shared with those who need to have access to it, including the Committee Chair and kept on file. It will also need to be shared with the insurers in the event of an insurance claim.

6. Lone volunteering

6.1 There may be occasions where u3a members may be carrying out activities for u3a H&E on their own. For example, opening a venue for a meeting, setting up for a meeting etc. Where this occurs the u3a member should ensure someone else knows where they are and when they should be expected back.

6.2 The u3a member should also know who to contact in the event of an incident or accident and ensure they have, for example, their mobile phone with them and avoid activities at height e.g. using a ladder.

7. Manual handling

7.1 All u3a members should think about manual handling in advance to avoid injury to themselves and others. Members should not carry

out any manual handling tasks if they are not able to manage them and should ask for help from other u3a members.

8. Venues

- 8.1 Where u3a H&E uses external venues who have their own policies and procedures and risk assessment u3a H&E will ensure these are followed. This will include making sure all u3a H&E members in attendance are aware of what to do in the event of a fire alarm/evacuation.
- 8.2 If u3a H&E is hosting an open day this will also include ensuring those who are not u3a members are also informed.
- 8.3 The Venue Risk Assessment Checklist is available at:

9. Review

u3a H&E will ensure this policy is kept up to date and reviewed on a regular basis.

Adopted: 10 October 2023; taken from the Third Age Trust Health and Safety template dated 16 June 2023

Editorial review: August 2026
